Reduced and Free lunch applications will be sent home at the beginning of the school year and are available on school website.

Student Meal Charging Policy

Cafeteria policy limits students to three charged meals. If lunch is forgotten, a hot lunch will be provided the first time with payment of \$2.85 due the next day. A letter is sent home after first charged meal requesting payment. An email or phone contact will also be attempted on the second charged meal and a second letter will be sent home. After three meals are charged, students will not receive a published lunch. These students will receive a non-published meal like a cheese sandwich, a carton of milk, a vegetable and piece of fruit.

Parents/guardians are responsible for payment of these meals to the schools Food Service Program.

A Financial Assistance Application will accompany notification of the third meal charged. Parents/guardians will have five days to satisfy the balance, return a completed Financial Assistance Application or make other arrangements with the Food Service Director.

Any payments made by check that are returned by the bank with notice of "insufficient funds" will require a penalty fee of \$10.00 by the party writing the check (M.G.L. Chapter, Section 57A). A letter will be sent home to inform the parents/guardians from the school. The penalty fee will be made payable to Cheverus Catholic School.
